SHAREHOLDER LOAN AGREEMENT

Date

Drawdown

The Shareholder Loan shall be drawn on the Advance Date by serving not less than two business days' prior written notice by PPI to Lee's International.

REASONS FOR AND BENEFITS OF THE SHAREHOLDER LOAN

PPI is in the course of expanding its business operation in producing, developing and in promoting the sale of medical devices. Therefore, after arm's length negotiation between PPI and Lee's International (being a shareholder of PPI), Lee's International agrees to further advance the Shareholder Loan at a market interest rate to PPI.

The Directors (including the independent non-executive Directors) considered that the terms of the Shareholder Loan Agreement, which has been entered into after arm's length negotiation between Lee's International and PPI, are not in the ordinary and usual course of business of the Group but are on normal commercial terms and the terms therein are fair and reasonable and in the interest of the Company and the Shareholders as a whole. Dr. Li Xiaoyi, an executive Director and a substantial shareholder of the Company, is directly and indirectly (through Swift Power) interested in the issued share capital of PPI, and in view of such interests, he is considered to have an interest in the transactions contemplated under the Shareholder Loan Agreement, and is required to abstain, or has abstained, from voting on the relevant Board resolutions to approve the Shareholder Loan Agreement. Save for the above, no Director has a material interest in the transactions contemplated under the Shareholder Loan Agreement, and none of them is required to abstain or has abstained from, voting on the relevant Board Resolutions to approve the Shareholder Loan Agreement.
