The board of directors (the “**Board**”) of the Lee’s Pharmaceutical Holdings Limited (the “**Company**”) is pleased to announce that the Company has decided to implement a share repurchase program (the “**Share Repurchase Program**”) through the exercise of the general mandate to repurchase shares of the Company (the “**Shares**”) that has been granted by the shareholders of the Company to the Board at the annual general meeting held on 20 May 2019 (the “**Repurchase Mandate**”). The Company will repurchase its Shares from the open market.

Details of the Share Repurchase Program are as follows:

The Board believes that the current share price of the Company is below its intrinsic value and the value as perceived by investors, it also presents a good opportunity for the Company to repurchase Shares. The Share Repurchase Program reflects the confidence of the Board in the current business development and prospects of the Company. Moreover, the Company believes that actively managing the capital structure and implementing the Share Repurchase Program will optimise the Company's capital structure, enhance earnings per share and overall shareholder return.

The Share Repurchase Program will be conducted pursuant to the Repurchase Mandate and in compliance with the memorandum of association and the articles of association of the Company, the Listing Rules, The Codes on Takeovers and Mergers and Share Buy-backs (“**Takeovers Code**”) and all other applicable laws and regulations. Shares repurchased (if any) by the Company will be cancelled. Shareholders and potential investors should note that any repurchase of Shares made by the Company under the Share Repurchase Program will be subject to market conditions and will be at absolute discretion of the management of the Company. There is no assurance of the timing, quantity or price of any share repurchases or whether or not the Company will make any repurchases. The Directors have no intention to exercise the Repurchase Mandate to the extent that would give rise to an obligation to make a general offer to shareholders of the Company under Rules 26 and 32 of the Takeovers Code.

Shareholders and potential investors are advised to exercise cautions when dealing in the shares of the Company.
