

## “STEM Experience Program for Secondary Students — Kanya Lee Scholarship Recognition Ceremony”

Released on 28 December 2021

Hong Kong, December 23, 2021, the “STEM Experience Program for Secondary Students—Kanya Lee Scholarship Recognition Ceremony” was successfully held in Cordis Hotel, Hong Kong. The founder and Non-Executive Director, Dr. Li Xiaoyi, the Chairman, Ms. Lee Siu Fong and the Managing Director, Ms. Leelertsuphakun Wanee of Lee’s Pharmaceutical Holdings Limited (“Lee’s Pharm” or “the Group”) were invited to attend the ceremony and witnessed the establishment of “Kanya Lee Class Reunion”.

The “Kanya Lee Scholarship Awards Program”, co-organized with Caritas School Social Work Service, aims at providing support to the secondary students from underprivileged families. Apart from the one-off scholarship and monthly subsidy, the Group provides practical internship opportunities for students who are interested in scientific and research field. To date, a total of 28 secondary school students have been benefited from this scholarship program since established in last year.

The awardees of Kanya Lee Scholarship shared their learning experiences and academic achievements during the ceremony. Dr. Li Xiaoyi, the founder of Lee's Pharm expressed the value of goal setting up "Kanya Lee Scholarship Limited", "Kanya Lee is namely from our mother who has always been teaching us the importance of education. We always bear in mind that 'Reading Can Take You Anywhere.' It gave me inspiration and encouragement particularly during my study journey. Therefore, my sisters and I took the opportunity to set up scholarship program when we felt we can contribute to the society. We hope to encourage the young generation to broaden their horizons and chase their dream through our subsidy scheme"

Lee's Pharm will stay committed to fulfil its corporate social responsibility. We hope that our scholarship program could provide a platform for the youngsters to overcome the difficulties in pursuit of their willpower and aspiration.
