

Wen Guohui, Deputy Secretary of the CPC Guangzhou Municipal Committee and Mayor of Guangzhou visited Zhaoke Pharmaceutical (Guangzhou) Ltd.

On September 4, 2019, Wen Guohui, Deputy Secretary of the CPC Guangzhou Municipal Committee, Mayor and Secretary of Guangzhou government, visited Nansha District to get a line on the construction of major projects, as well as Zhaoke

Pharmaceutical Guangzhou base of Lee's Pharmaceutical Holdings Ltd. ("Lee's Pharm" or "the Group"). Dai Xiangrong, Deputy General Manager of the Group, Zhou Weiling, Deputy General Manager of Zhaoke Pharmaceutical (Guangzhou) Ltd., and Yin Lei, Deputy General Manager of Zhaoke Pharmaceutical (Guangzhou) Ltd., together gave an official reception.

During the visit, Dai Xiangrong, Deputy General Manager, introduced the company's key innovative products, R&D project progress and Nansha production line to Secretary Wen in detail. Secretary Wen watched the company's product display and was notified the construction progress of the Nansha Zhaokang International Rehabilitation Center.

Secretary Wen demanded the relevant city and district departments to continue providing high-quality governmental service for the enterprises and actively engage in

resolving problems encountered within the research and development process. At the same time, enterprises are encouraged to give full play to the advantages of technology and talents, strengthen R&D product, actively explore domestic and foreign markets, and take root in Guangzhou.
